Join us at the INTERNATIONAL
SCIENTIFIC AND PRACTICAL
CONFERENCE

"English StudyLab"

Gain understanding of students' academic mobility in the context of the national education integration into the international area.

A ***key priority*** is to enhance networking opportunities and facilitate discussion among the attendees from around the world.

In-depth focus on:

- ❖ forming the lexical-semantic structure of modern terminology systems;
- ❖ functioning of language units in foreign languages;
- ❖ innovative technologies in the processing of language (Internet, machine translation, e-dictionaries);
- ❖ innovations and experience in teaching a professionally oriented foreign language.

Provisional Programme:

12.00–12.30
Conference registration
(main building of KNU)

12.30 – 13.30
Conference opening, plenary
meeting (room 345)

13.30 – 15.00
