

## MEMORANDUM OF UNDERSTANDING

Between

the **University of Passau** ("UP"),

represented by its President (Professor Dr. Ulrich Bartosch),

and

Kyryvi Rih National University (KNU),

represented by its President (Professor, Dr. Mykola Stupnik),

together referred to as "the Parties".

UP and KNU wish to build upon the existing co-operation between Faculty of Information Technology and Faculty of Economics and Business Administration at KNU and the Faculty of Business, Economics and Information Systems at UP and agree on the following:

### **1) Undergraduate, postgraduate and doctoral student exchange**

The Parties agree that UP and KNU support each other by accepting each others' undergraduate, postgraduate and doctoral students into their degree programmes for the duration of one academic semester or one academic year, as the case may be, whilst waiving any tuition fees or other charges that may apply. Shorter stays, such as summer schools and similar offerings, may also be arranged under this agreement; for these, the terms should be agreed on a per-case basis and, if possible, reductions offered for the invitations and fees.

## 2) Exchange of professors and lecturers

The Parties agree that UP and KNU support each other by accepting each others' professors and lecturers to undertake research or teaching at the respective host institution; the sending institution shall bear the costs of such secondments.

## 3) Research

The Parties agree to lend the best possible support to research projects jointly carried out by members of UP and KNU.

## 4) Outlook

The Parties agree to further intensify co-operation between UP and KNU in a way that serves the interests of both Parties, with the aim of concluding a Co-operation Agreement between UP and KNU.

## 5) Period of Validity

This Memorandum of Understanding shall remain in force until it is replaced by a Co-operation Agreement or terminated by one of the Parties.
